CLUB ROAD BOAT RAMP TEMPORARY CLOSING

September 2014

The U.S. Fish and Wildlife Service announces the temporary closing of the boat ramp off Club Road in Tipton County. The ramp will be closed on September 2, 2014 and remained closed until December 1, 2014. The boat ramp is temporarily closing because the road leading to the boat ramp needs to be repaired. The road will be armored and moved slightly away from the river to prevent road erosion caused by the Hatchie River. Once construction is complete the boat ramp will be reopened.

Please contact the refuge office at (731) 287-0650, or check out our website at fws.gov/lowerhatchie for further information about the temporary road closing.
